# Off the Island Mocha

- March 28 1830. Moderate weather all the 24 hours N. W.  
 29 Brisk winds and rugged weather saw whales S. W.  
 30 Strong gales and rugged weather — South  
 31 First part strong gales moderate latter a whale  
 April 1 Winds variable Mocha bore south 10 miles  
 2 First strong latter moderate chase Whales  
 3 Brisk winds Chase Whales killed one S. W. to  
 Mocha bearing east 10 miles N. W.  
 4 Light breezes Mocha south 6 miles S. E.  
 5 Thick and cloudy S. W. south 10 miles North  
 6 Light breezes ground barren saw one  
 Whale Mocha bearing at N. E. 10 miles N. W.  
 7 First light latter strong very barren  
 thick & squally S. W. North West  
 8 Moderate took one whale S. W. West 6 M.  
 9 Middle strong gales ship labouring hard  
 Matter here of a bluish cast Lat 38.42 N. W.  
 10 Strong gales main land bearing E. by N.  
 20 miles Dist Mocha north 20 miles Lat 38.56  
 11 Heavy gales wind put out the fire — W. N. W.  
 12 Calm thick hazy weather stood over to  
 the main saw great many hump backs S. E.  
 Mocha bearing E. 20 miles  
 13 Strong breezes saw one whale and chase  
 saw many hump backs Lat 38.21  
 14 Pleasant weather stood in north the S. E. W.  
 S. E. saw one whale Mocha E. N. E. 11 miles North  
 15 Light breezes and thick night Whales N. W.  
 appears to have left as we have seen only S. W.  
 3 or 4 for the last 10 days very barren  
 16 Calm baffling weather we have cruised North  
 over the best whale ground this last  
 week and have seen only 3 Whales plenty  
 Hump backs all round the house

# Off the Island Mocha Wind Log

- April 17. 1830 Light breezes many hump backs North  
18 Calm thick foggy weather Mocha north 10 miles  
19 Light breezes stood off and on wading NW  
for long to clear off latter brisk winds North  
20 Brisk winds and thick fog stood in for  
the Island to see if the whales had set in N.W.  
again saw one wrought Whales  
21 Strong winds thick rain squally weather  
stood in about 2 miles Dist from the island North  
saw no wrought whales wore ship to west  
Mocha in sight N.E. 20 miles dist  
22 Light breezes and clear weather at 4 P.M. N.E.  
wore ship Mocha bearing E. S. E. 4 miles Dist  
now conclude to leave the Island and cruise  
else where middle part employed in  
getting ready to go into St. Maria latter  
part Mocha in sight bearing E. S. E. Dist 8 leagues  
in this last northerly gale I have experienced  
a strong current setting to N.E. at the  
rate of 2 knots per hour

Whales for the last 30 days seem to be scarce about  
this neighbourhood a circumstance not common I must  
sincerely hope

# In Long Bay

Kindred

May 24. 1830 Light winds fair weather at 1 P.M. S. W.  
to  
finished a mooring ship sent the boats South  
into the bay to look for whales

30 Light winds and fair weather sent the  
boats into the bay Chased Hump Backs S. E. W.

31 Weather the same In the crew on shore  
the boats crew saw nothing

June 1 Fine weather 2 boats after Hump & two  
Whaleing

2 Hazy cloudy weather 2 boats in the bay E. S. E.  
not employed in ships duty

3 Fine weather struck one whale parted the N. E.  
line sent the other 2 boats

4 Fair weather saw nothing winds variable

5 Fine weather the boats saw nothing S. E.

6 First part fair latter cloudy saw nothing to  
South

7 Calm hazy weather Chased Hump Backs East.

8 Hazy weather saw nothing to  
N. E.

9 Light breezes and fair weather

10 Light breezes and over Cast

Saw 2 Whales in South bay killed one W. S. W.

11 Hazy weather saw nothing

12 Calm and pleasant boats in the bays North

13 Fine weather Chased Whales without success South

14 Good weather no Whales

15 Pleasant weather saw nothing East

16 Fine weather Employed fitting ringing

17 Pleasant weather saw nothing N. E.

18 Brisk winds saw nothing S. E.

19 Calm pleasant weather

20 Good weather 1 Whale to the Asia S. E.

21 Killed one whale off South point E. N. E.

22 Over Cast weather saw nothing N. E.

23 Chased one whale without success W. N. W.

# In Tongay Bay

Kinda Cove

June 24 1830 Fine weather at midadian boats

Came out and

- 25 Strong winds Clear and rugged
- 26 Calm pleasant weather got stove South
- 27 Calm pleasant weather one boat got stove
- 28 Killed one Whale took her to Asia Chase

Hump backs without success

29 Good weather Chased Whales saw nothing S. E.

30 Good weather saw nothing returned a noon

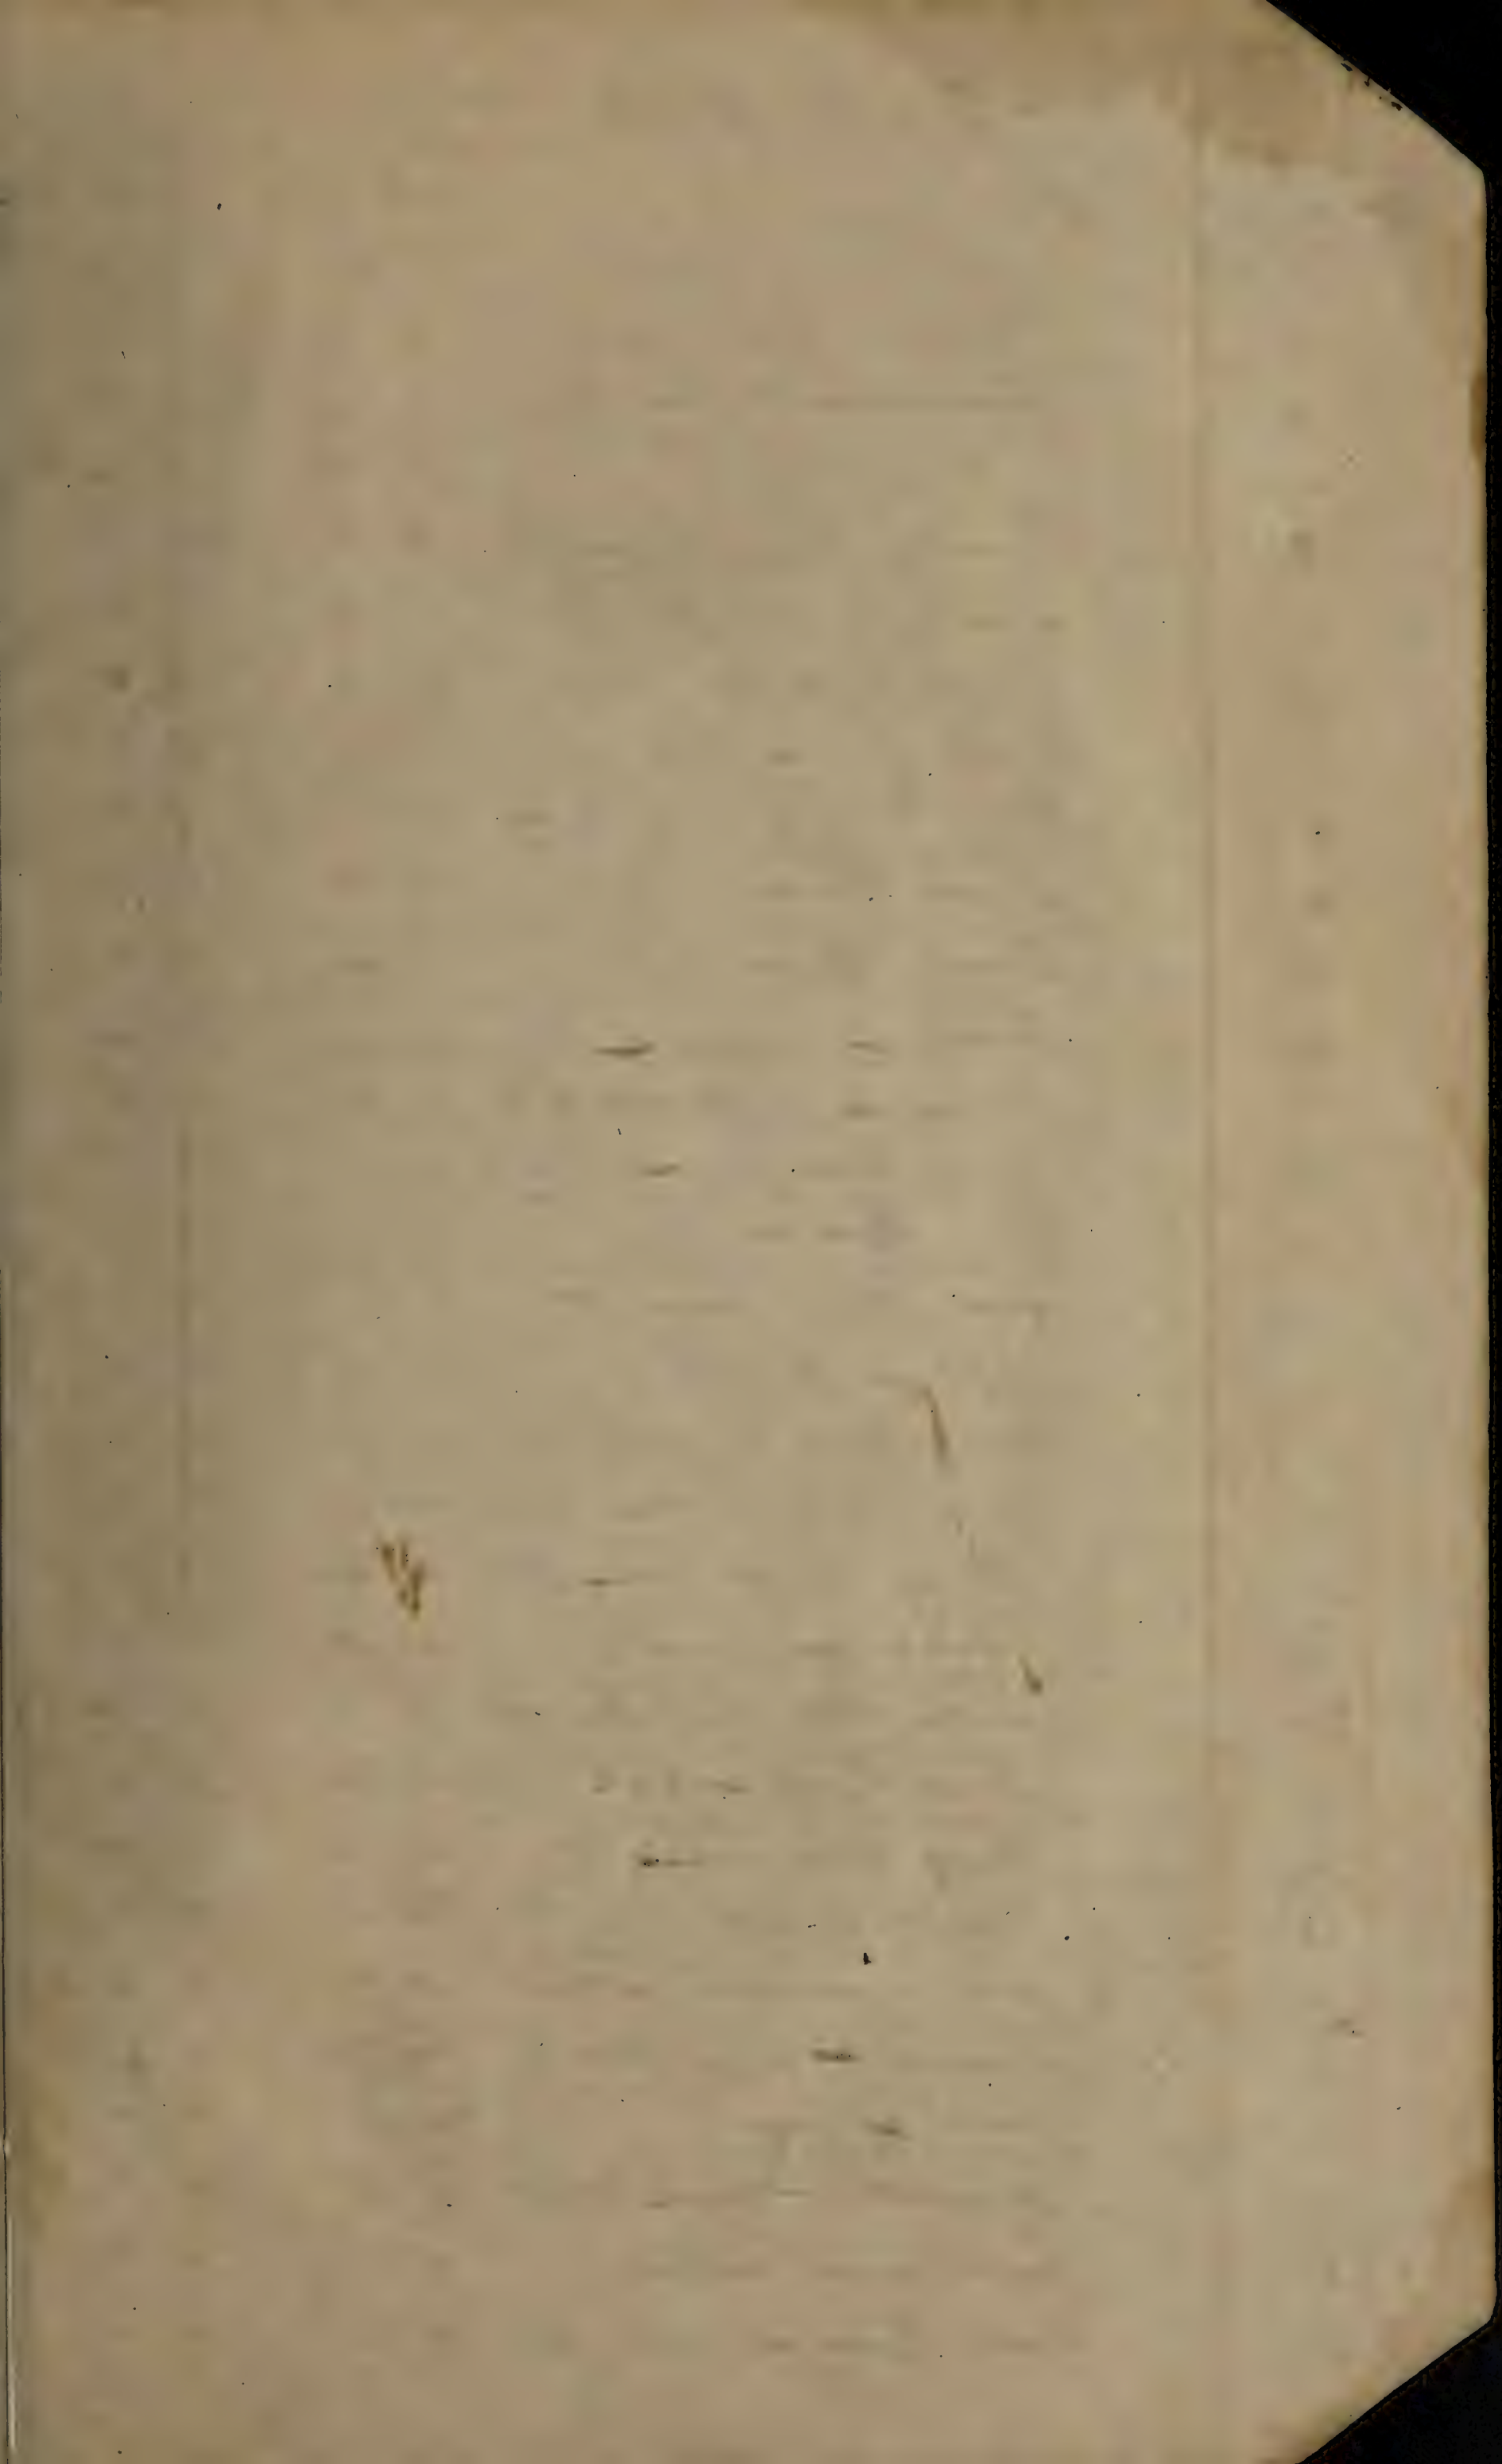

July 1 1830 First part fine weather fetty riggy

latter part calm

S. E. N. E.

- 2 Light breezes Employed fetty riggy
- 3 Calm pleasant weather Boats in bay S. E. E.
- 4 Fresh and clear at 1 P. M. Saw the north boats  
towing a whale at 7 along side S. E. E.
- 5 First fine latter hazy saw nothing E. S. E.
- 6 Fine weather saw nothing
- 7 Bristle winds at 9 A. M. Saw south boats  
towing a whale chased a whale South
- 8 At 1 P. M. saw a whale close to the ship  
chased without success S. E.
- 9 Light winds saw nothing North
- 10 Calm cloudy weather saw nothing
- 11 Light breezes & cloudy weather saw nothing E. S. E.
- 12 Fresh winds & fair weather saw nothing South
- 13 Calm hazy weather sent boats in Bay S. E. W.
- 14 Wind and weather very changeable at 10  
north boats towing a whale anchored her North
- 15 First strong winds latter moderate boiling
- 16 Bristle winds clear & rugged saw nothing South
- 17 Light breezes cloudy & hazy
- 18 Clear & pleasant saw nothing S. E.
- 19 Light variable breezes
- 20 Pleasant saw two whales
